

## Roanoke Valley Preservation Foundation 2024 Kegley Award Nomination Form

The Roanoke Valley Preservation Foundation (RVPF) is currently seeking award nominations for the 2024 George A. Kegley Preservation Award Program that will be announced at the RVPF general membership meeting to be held in November 2024. The date and time of the meeting will be announced shortly.

For the past 22 years, the Roanoke Valley Preservation Foundation has recognized projects, persons, and community groups in the region through the Foundation's annual George A. Kegley Preservation Award Program. These awards recognize notable examples of historic preservation, stewardship, education, advocacy, and restoration projects that have maintained or added to the Roanoke Valley and surrounding area's historical, architectural, and/or cultural heritage.

These awards not only serve to commend the winners' hard work, but to also promote public awareness of the values of older structures, the importance of individual historical efforts, and the significance of education and environmental work in our community. All 2024 Kegley Preservation Award nominations should include the following:

- **Project or Person being nominated (Submit 1 photograph of project or person being nominated):**
